

PROVIDENCE PROPAGANDA SEPTEMBER 2014

"THERE'S (ALMOST) ALWAYS SOMETHING TO DO"

issue #5 // edited by shawn schillberg and tom weyman // have an event to submit? email info@providencepropaganda.com

Thu 4 // **Death Vessel, The Mansfield Hornets** @ Burnside Park/Kennedy Plaza 4:30pm \$Free After being rained out last month, Death Vessel finally gets to play the bus station! Their latest album, *Island Intervals*, is absolutely one of my favorites of 2014. Afterward, head over to the release party for Dan Blakeslee's new CD, *Owed To The Tanglin' Wind* at the Columbus Theatre (where the album was recorded!). // **Tallahassee, Dan Blakeslee (album release show!), Will Dailey** @ Columbus Theatre 9pm \$12

Fri 5 // **Joe Fletcher and the Wrong Reasons (album release show), Tyler-James Kelly of The Silks** @ Columbus Theatre 9pm \$15

Sat 6 // **Can't Stop The Serenity screening** @ Columbus Theatre 9pm \$12 // **Cannibal Ramblers** @ Nick-A-Nees 9pm \$Free // **The National Poster Retrospecticus** @ Machines With Magnets 6pm \$Free

Sun 7 // **Wavves, Public Access T.V, Way Out** @ The Met 7:30pm \$20 // **The Quahogs, Western Star, Gill Moss, Tomorrow and Tomorrow** @ Dusk 9pm \$5 // **Providence Folk Festival** @ Roger Williams Memorial (282 N Main St) 12pm \$Free The 1st annual Providence Folk Festival features more than 20 artists on two stages. Blankets, chairs and picnics encouraged. Just be discrete with the wine!

Tue 9 // **VOTE.** While Providence Propaganda does not endorse any particular candidate, we do endorse exercising your civic duty.

Thu 11 // **Detroit Rebellion** @ Burnside Park/Kennedy Plaza 4:30pm \$Free // **Dead Rider, The Sediment Club, Luke Moldof** @ Machines With Magnets 9pm \$8

Sat 13 // **4th Annual Neighbor Days Block Party** @ Luongo Square (between The Avery and E&O Tap) 12pm \$Free All proceeds from this Narragansett Beer & WBNA block party go toward keeping West Broadway clean and safe. A dozen bands, beer, food and prizes should make for a great afternoon. // **Immortal Technique** @ Fete 8pm \$25 // **The Horse-Eyed Men, Feral Foster** @ Nick-A-Nees 9pm \$Free // **Atlantic Thrills, Ravi Shavi, TBD** @ AS220 9pm \$7

Wed 17 // **The Growlers, The Garden** @ Columbus Theatre 9pm \$15 The Growlers

claim that they've "grown up" on their new record *"Chinese Fountain"*. Fortunately, that doesn't mean they've become boring - they're just a little more polished, but it's still groovy, man. // **Deafheaven, No Joy, Indian Handcrafts** @ The Met 8:30pm \$15

Thu 18 // **The Mallett Brothers, Dylan Sevey and the Gentlemen** @ The Met 9pm \$10 // **Cannibal Ramblers, Barn Burning, The SwampBirds, John Faraone** @ The Parlour 9pm \$6

Fri 19 // **Thee Fabulous Itchies 20th Anniversary Reunion** @ Dusk 8pm \$8 // **The Low Anthem, Ravi Shavi** @ Burnside Park \$Free

Sat 20 // **Mount Eerie, Assembly Of Light Choir** @ Columbus Theatre 9pm \$15 Phil Elverum has made so many classic records as both The Microphones and Mount Eerie. Whether loud or soft, every record has a raw emotional core and lyrics that use the forces of nature as a metaphor for human life. He is touring the US to preview tracks from an upcoming album, as well as visit saunas all across the country - seriously. Assembly of Light Choir is from Providence, and features all your favorite ladies singing in harmony.

Tue 23 // **Diane Cluck, Ken's Last Ever, Glenna & Willa Van Nostrand** @ Machines With Magnets 9pm \$8

Wed 24 // **Roses, Ava Luna, Celestial Shore, Tapestries** @ AS220 9pm \$6 // **Zip-Tie, Pixels, Dead Cats Dead Rats, Ask The Dead** @ Dusk 9pm \$6

Thu 25 // **Panel Discussion: RI Stories of Immigrants and Refugees** @ URI Lobby Gallery (80 Washington St) 7pm \$Free

Fri 26 // **Ark Life** @ Columbus Theatre 9pm \$12 Ark Life certainly made an impression when they played Local 121 last year. People have been asking when they'd return ever since. Well, here you are!

Sat 27 // **The Silks, Smith&Weeden, Old Jack, Township** @ Fete 8pm \$8

Sun 28 // **Tig Notaro** @ Columbus Theatre 8pm \$25 Tig Notaro's fame catapulted after Louis C.K. tweeted "in 27 years doing this, I've seen a handful of truly great, masterful standup sets. One was Tig Notaro last night at Largo." The set that he saw was released as "Live" (rhymes with Give, not Jive) - with just a half hour set, Notaro addresses her diagnosis with breast cancer in a way that is both devastating and hilarious. Tig made a full recovery, and this is her first performance in Rhode Island.
